

## Language A1 - advance notice of works studied (1/A1AP)

'SELECTION' refers only to individual poems or short stories from a collection.

Where more than one programme is studied at one level (e.g. because of transfer candidates, candidates taught in separate group) submit the appropriate number of forms. Each will be assigned a form number.

Forms for non-Roman character languages should be printed off and completed by hand.

These should then be sent by fax or mailed to the Diploma Languages section at IB Cardiff. This form must be submitted by 1 December/1 June, 5 months prior to the written examinations taking place. Once the deadline has passed no amendments to submitted forms will be possible either via IBIS or hard copy.
